Tripura College of Nursing Hapania,Agartala ,Tripura – 799014

Introduction :-

Nursing is essentially a social service. It is a profession or practice discipline which is an applied Science as well as an art. In modern era, nursing education as a precursor for professional nursing responsibility puts considerable demands on students to acquire the necessary skill, knowledge and attitude to become qualified nurses ready to take up nursing practice.

Keeping all this in mind Tripura College of Nursing was established in 2007 , at 6.5 kms away from the capital city Agartala, with a view to meet the health needs of the country and state Tripura College of nursing is a pioneer institute for Nursing education in Tripura. It is administered by the Government approved Society in the name and style of “Society for Tripura Medical College & Dr.BRAM Teaching Hospital”. The society is managed by highly efficient government officers and retired professional in administration. The society took over the Management of Tripura Medical College & Dr.BRAM Teaching Hospital and Tripura College of Nursing on 23rd May’2009 from GENET on behalf of the Government of Tripura.

Philosophy :-

The College believes that, patient is a human being who has dignity , worth and the right to quality nursing care delivered with competence . The nurse practices with comparison and respect for the dignity and uniqueness of every individual with attendance to the cultural and ethnic diversity of patients and teaching , counseling and patient advocacy as well as physical care and comfort. The nurse is a professional “care” giver who practices independent decision – making .Furthermore, the college believes in a system of nursing education that fits in with the changing educational patterns of the country to meet the health needs of society.

Vision

To improve the students in health care science in Tripura as well as whole of India. Tripura College of Nursing is a premier provider of health care education which strives to be the best educational institution in which to learn and work. We are known as a student friendly organization. We anticipate, plan and act decisively and with integrity. We are responsible, contributing citizen of the community.

Mission

The mission of Tripura College of Nursing is to educate and mentor future generations of expert nurse clinicians and researchers. The institute responsibility is to design programs that use the rare resources and unique partnership of this academic health sciences centre, and to provide evidences that programs and graduates bring about improved health and well being.

Recognition:-

The College is affiliated to Tripura University (Central University). It has approval from state Nursing Council and the Indian Nursing Council, Which are the apex professional bodies at the state and central levels that set the standards for Nursing education in India.
